Control Products Expands Sales Organization

Minneapolis, Minnesota – July 30, 2010 Control Products, Inc., a trusted leader in electronic control technology, design and global manufacturing, is pleased to announce the addition of Ramon Castillo as a Territory Sales Manager based in Chicago Illinois. Ramon joins Control Products with over twenty years of sales and management experience in the commercial food service equipment industry. During this period, he has worked for several controls manufacturers, as well as a number of prominent equipment manufacturers. He is also a Certified Food Service Professional (CFSP).

Ramon is very excited to be joining Control Products. “I was attracted to Control Products because of the opportunity to provide global engineering and manufacturing solutions to my customers in addition to enjoying the support of a strong US based team.”

“We are fortunate to be adding Ramon to our sales organization, with his OEM customer focus, understanding of custom solutions and his professional approach to customers” said Greg Colvin, International Sales Manager. “Our customers will find Ramon very well prepared to provide the high level of technical sales and service they need and expect.”
