Press Release

Control Products Expands To Larger Facility In China.

Minneapolis, Minnesota – July 16, 2010 Control Products, Inc., a trusted leader in electronic control technology and global manufacturing is pleased to announce further expansion in its Suzhou, China operations. The new 51,000 square foot facility will triple our manufacturing capacity.

Growth of our China operations is the result of new market development within China, growing support of our US customers that have established manufacturing in China, and manufacturing of products for US plants. “Expansion of our China plant will further enable us to support our global customers” says Paul Carlson, President of Control Products.
